

CAFÉ International – Website Structure & Brief

Purpose:

A website to showcase CAFÉ International, provide information about packages, allow students to book services, and attract partners, volunteers, and investors.

1. Homepage

Goal: Make a strong first impression, explain what CAFÉ International is, and guide users to action.

Content / Features:

- Header with logo and tagline (e.g., *“From Airport to Apartment – Supporting Your First Steps in Germany”*)
- Hero section: Engaging image of international students in Berlin + short intro text
- CTA buttons: *“Explore Packages”* / *“Book Your Starter Pack”*
- Quick overview of services and packages (Free Starter, Starter €50, Essentials €150, Premium €250)
- Testimonials or quotes from partners/volunteers (optional at launch)
- Footer: Contact info, social media links, privacy policy

2. About Us

Goal: Explain mission, vision, and impact. Build credibility.

Content:

- Mission statement: *“Helping international students integrate into Berlin through guidance, services, and community.”*
- Vision statement: *“To become Germany’s leading student support hub.”*
- Team introduction: Founder, developers, volunteers, mentors (with photos or icons)
- Partnerships & Support: Generation iTrust, Marc Leberecht-Schneider, other NGOs
- CTA: *“Become a Partner”* / *“Join Our Mission”*

3. Service Packages

Goal: Showcase all available packages clearly with pricing and benefits.

Content / Features:

- Table or card-based layout showing packages:
 - Free Starter Pack (€0) – 15-min consultation + coffee
 - Starter (€50) – Anmeldung guidance, university registration, volunteer certificate
 - Essentials (€150) – Starter + bank setup, insurance guidance, housing shortlist, orientation, coaching
 - Premium (€250) – Essentials + extended housing, skill workshops, job referral, buddy program, language roadmap, optional coaching
- “Book Now” button for each package linking to registration form / app

4. How It Works

Goal: Show the step-by-step process for students. Build clarity and trust.

Content / Features:

- Step 1: Sign up (via website or app)
- Step 2: Choose package (Free, Starter, Essentials, Premium)
- Step 3: Access services (appointments, guidance, events)
- Step 4: Community engagement (volunteering, language learning, buddy program)
- Optional: Flowchart or infographic for visual clarity

5. For Partners / Volunteers

Goal: Attract NGOs, mentors, and volunteers.

Content:

- Call for support: *“Join CAFÉ International as a mentor, facilitator, or partner.”*
- Benefits of collaboration (visibility, impact, networking)
- Registration form for volunteers / facilitators
- Optional: Testimonials from existing partners

6. Blog / Resources

Goal: Provide guidance for students and improve SEO.

Content Ideas:

- Tips for arriving in Berlin
- Navigating bureaucracy (Anmeldung, bank accounts, insurance)
- Housing safety tips and scams to avoid
- Language learning guidance
- Cultural events and integration tips

7. Contact

Goal: Allow users, partners, and investors to reach out easily.

Content / Features:

- Contact form (Name, Email, Message)
- Email & phone contact
- Map of initial community spaces (Neukölln / Kreuzberg)
- Links to social media

8. Optional Features

- **Booking System / App Integration:** Students can register and pay for packages online.
- **User Dashboard:** Track booked packages, upcoming appointments, volunteer hours.
- **Language Options:** English / German interface.

Technical Notes for Developer

- Mobile-first design (most students will access via smartphones)
- Clean, minimal, and friendly design style (colors reflecting warmth & diversity)
- Fast loading speed, SSL certificate, secure payment gateway for package purchases
- CMS for easy content updates (WordPress, Webflow, or custom)
